#### Roads

Todd and Brian put cold patch throughout the neighborhood. – Brian and Dana will be painting the speed humps in the next two weeks, weather permitting.

There was a tree that came down on Ridgemont on 16<sup>th</sup>, 2020. There was a company called out to clean up the aftermath.

The association will be maintaining the roads this year. We will not be hiring out any companies to patch.

Street Signs will be replaced and updated.

The culverts will be hired out for cleaning. They were too deep for Brian to clean.

#### Beach

We will be Following the state and county guidelines, for meeting and beach rules.

Beach open is dependent on the Governor's State Orders.

Projects that are on agenda for 2020 are as follows;

- Fence Trimming
- Replacing Rotting grills
- Painting

- Shingles for Shed
- Repair cross handlebar on the water slide.

Flag is up.
